

H311 final project notes

Maxwell Tang

IDK when I'm presenting yet

Problem Introcdtion

Hey chat, I want to render the Bad Apple music video in my calendar

no optimization: 119 optimization: 131

unoptimized: 102 optimized: 91

FULL TEXT: unoptimized: 226724 optimized: 223981

TODO add an option to not line up the order in halfLBlockOptimizer so that recurrence optimization doesn't have a stroke trying to optimize really deep events.

Subproblem: Minimum Partition Into Arithmetic Sequences
